

Department of Motor Vehicles

Invitation to Public Workshop
Autonomous Vehicles Regulations

The Department of Motor Vehicles (department) invites the public to participate in a workshop and provide ideas regarding the development of proposed regulations governing the operation of Autonomous Vehicles, pursuant to Vehicle Code section 38750.

The department invites all interested parties, including manufacturers, individuals with technical and subject matter expertise in the design, development, and verification of autonomous vehicle technology, consumer, labor, and public interest groups, local governments, potential end-users of autonomous vehicle technology, and academic/research institutions, to attend.

DMV Public Workshop
Autonomous Light Duty and Heavy-Duty (>10,000 lbs. GVWR) Vehicles

DATE: January 27, 2023
TIME: The workshop will begin at 9:00 AM and will conclude after the last speaker has been heard.
LOCATION: California State University, Sacramento, Harper Alumni Center
ADDRESS: 6000 J Street, Sacramento, CA 95819

A full agenda will be provided prior to the workshop and will be available on the department's website.

To get a sense of potential workshop participation, the department requests that anyone planning to participate in the workshop notify the department of their attendance via email (LADRegulations@dmv.ca.gov) by January 20, 2023. This advance notification is not required to attend or participate in the workshop.
