

SECOND NOTICE OF MODIFICATIONS TO TEXT OF PROPOSED REGULATIONS AND ADDITION OF DOCUMENTS TO RULEMAKING FILE

Pursuant to the requirements of Government Code section 11346.8(c), and section 44 of Title 1 of the California Code of Regulations, the Department of Motor Vehicles is providing a second notice of changes made to proposed regulations originally noticed to the public in the California Regulatory Notice Register on October 31, 2025, related to the Electronic Lien and Titling Program. A Notice of Modification was also provided to the public on April 23, 2026.

Additionally, the department is providing notice that documents have been added to the rulemaking file and are available to the public for inspection and comment. The documents added to the rulemaking file are as follows:

- Second Modified Regulatory Text
- Statement of Reasons for the Second Modified Regulatory Text
- Revised ELT Program Service Provider Application, form REG 670 (Rev. 8/2026), incorporated by reference in Section 153.04
- Revised ELT Program Lienholder Application, form REG 671 (Rev. 8/2026), incorporated by reference in Section 153.22

If you have any comments regarding the proposed changes or the documents and other information, the department will accept written comments between October 5, 2026 through October 20, 2026. All written comments must be submitted to the department no later than October 20, 2026, and addressed to:

Randi Calkins, Regulations Analyst

Department of Motor Vehicles

Legal Affairs Division

2415 First Avenue, MS C-128

Sacramento, CA 95818

Email: LADRegulations@dmv.ca.gov

All written comments received by **October 20, 2026**, which pertain to the indicated changes or the above-listed documents and other information, will be reviewed and any objections and/or recommendations responded to by the department's staff in the Final Statement of Reasons as part of the compilation of the rulemaking file.

Attached is the full text of the proposed regulation. The text includes the originally proposed language as well as the proposed changes to the

language. The language modifications are clearly illustrated by the following methods:

- (1) The language originally proposed to be added to the text is single underlined.
- (2) The language proposed in the April 23, 2026 modifications are shown with double underlines.
- (3) The language now proposed are shown with ~~broken underlines and italics~~.
- (4) The language originally proposed to be repealed is shown with ~~single strikethrough~~.
- (5) The language proposed to be repealed in the April 23, 2026 modifications are shown with ~~double strikethrough~~.
- (6) The language now proposed to be repealed are shown with ~~double strikethrough and italics~~.

The department also has available the notice of proposed regulatory action, the initial statement of reasons, the forms referenced in the proposed text, and the original regulatory language related to the proposed action that was provided to the public on October 31, 2026. The department also has available the notice, the modified text, the statement of reasons for the modifications, and the form and templates referenced in the modified text that were provided to the public for comment on April 23, 2026. The contact person identified in this notice shall, upon request, make these documents, forms, and templates available to the public.

Most documents can also be accessed on the department's Regulatory Actions webpage at: <https://www.dmv.ca.gov/portal/about-the-california-department-of-motor-vehicles/california-dmv-rulemaking-actions/>. Those documents that are not available online are available by requesting them at the email address provided.
