

The following is only an abstract of one of our earlier reports. An email request for a printed or PDF copy of the complete report can be generated by clicking on the **Report Number** of this report in the table of reports on the [Research Studies and Reports](#) page. The PDF copy of the complete report was created by scanning an original, printed copy, and thus is only *partially* searchable and *is not* accessible, but is fully printable.

A printed or PDF copy of our studies and reports may also be requested by mail or phone at:

Department of Motor Vehicles  
Research and Development Branch  
2570 24th Street, MS H-126  
Sacramento, CA 95818-2606  
(916) 657-5805

For a request by mail, please include the report number and your name, address, and phone number. Also, please state whether you are requesting a printed copy, a PDF copy, or both. For a PDF copy, please include your email address.

TITLE: 1993 Annual Report of the California DUI Management Information System

DATE: January 1993

AUTHOR(S): Helen N. Tashima, Leonard A. Marowitz, David J. DeYoung, and Clifford J. Helander

REPORT NUMBER: 138

NTIS NUMBER:

FUNDING SOURCE: Departmental Budget

PROTECT OBTECTIVE:

To continue the publication of a yearly comprehensive data and monitoring system (or management information system) to provide measures of DUI system performance.

SUMMARY:

In this second annual report, 1990 DUI data from several diverse sources were compiled and cross-referenced for the purpose of developing a single comprehensive DUI data and monitoring system. This report presents crosstabulated information on DUI arrests, DUI convictions, court sanctions, administrative actions and alcohol-involved accidents. It includes the results from tracking a sample of nonconvicted (according to DMV records) DUI arrestees in identifying major points at which DUI offenders were not convicted and reasons for nonconviction. It also includes findings, from tracking a sample of DUI offenders referred to alcohol treatment programs, regarding the reporting accuracy of program enrollment, completion and dropout rates. In addition, this report provides an evaluation of the effectiveness of alternative court and administrative sanctions (includes alcohol treatment programs and license actions) upon the postconviction records of first and second DUI offenders.

SUPPLEMENTARY INFORMATION:

None.
